MEDIA RELEASE

Re: Status of Shark Safety Gear - KZN Protected Beaches

The KZN Sharks Board is currently experiencing industrial action with its labour force and as such has had to temporarily reduce the number of protected beaches the organisation is able to service with the limited resources available. Bathing is currently open at the following beaches:

North Coast: Willards Beach (Ballito Bay main beach), Umhlanga Rocks main beach.

Durban: Ushaka to Suncoast Beach inclusive

South Coast: Hibberdene, Umzumbe, Southport, St Michaels, Uvongo, Lucien, Margate, Ramsgate, Southbroom, San Lameer and Trafalgar.

Visitors to the beaches are requested to check with the lifeguards prior to entering the water at any of the non-mentioned beaches. The Board will continue to render services to the best of its ability during this period.
